

## BX ECO Broxap Ecobin

INSTALLED BY  
**BROXAP**

The Broxap 'ecobin' is a tough, economical item of street furniture used in cities, town centres and rural villages, ideal for football stadiums, schools, colleges, theme parks, leisure centres, caravan parks and motorway service areas.

The Broxap 'ecobin' retains the style of the Derby Standard Litter bin exterior but has been skillfully engineered to suit locations that do not require the normal high specification of the Derby Litter Bin Range.

The door, lid and body of the Broxap 'ecobin' is made from 2mm Zintec steel with a base of 6mm pressed steel, full size apertures to the front and rear and comes complete with a 120 ltr capacity 0.6mm galvanized steel liner.

Polyester powder coated finish (black as standard), with powder galv prime and phosphate wash as standard.

### Features:

- Dimensions: 1020mm high x 535mm wide x 535mm deep.
- Capacity: 120 litres.
- 6mm pressed steel base.
- 2no. 12mm stainless steel pivot hinge studs.
- 2 posting apertures.
- 0.6mm galvanized steel liner with safety top edge and two handles.
- Stainless steel slam lock mechanism.
- Hexagonal key operated heavy duty lock.
- Powder galv prime and polyester powder coat (BLACK as standard).

### Optional Extras:

- Vinyl 'LITTER' lettering or bilingual lettering.
- Vinyl logo only - BX45 LOGO.
